Hello everyone!

By the time you read this, and if you have attended our annual AGM, you will know who our committee members are.

We work hard to provide interesting activities and events for our members to attend and participate in.

Future club events have been planned and organised and we would love to see you there. For "when & where" please refer to Coming Events or to our Club website [www.mercedesclub.org.nz/events](http://www.mercedesclub.org.nz/events) .

May the Star be your safe guiding light to any of our club events!

Any suggestions for future events or feedback on past events are most welcome and can be emailed to our Club Secretary Persees Antia [mbsecretary@xtra.co.nz](mailto:mbsecretary@xtra.co.nz) or myself.

## **Windscreen for Mercedes Vintage or Classic car:**

I have an early 50/60s windscreen that arrived some time ago for a restoration job that never eventuated. It's all packed in a genuine MB screen shipping container, but with no parts identification stickers on it. It was manufactured by Saint-Cobain in Spain.

The measurements are as follows:

- Center height: 395 mm
- Base width: 1385 mm

I am open to any genuine offer for the screen. Please contact Lewis Nicholson on ph 022 6250 816.
