

Editorial

My apologies to the new members Tom and Jutta Frei for printing their name incorrect in the last issue.

I hope you are all feeling well, no sneezing or coughing, chin up summer is coming.

Between now and Christmas we have a lot of interesting events going on, please come along and join us!

Organisers have been putting in a lot of time and effort to make these events happen, so please, if you can't come along to support them give us heaps of notice to say you can't make it.

Liane.

Club Storage Required

Our Club Trailer and/or several cardboard cartons of archive material require dry, under cover storage on a medium term basis, as we do not have club rooms which would offer such a facility. The trailer is used for events on an occasional basis so it does need to be stored so that is easily accessible.

If you could offer free storage of both or either of these items, or would like more information, please contact Brian Hood on Ph 6343573 (HM)

" Wanted: W114 or W123 Coupe for regular use. Needs to be in "good condition" or better. Phone Jason 021 897 586, 413 8617 or delamorenz@xtra.co.nz "
